Enrolment Policy & Procedures

IONA COLLEGE ENROLMENT POLICY

Iona College is committed to building a community that provides an Oblate-inspired, Catholic-centred education for boys. We therefore seek to enrol boys and their families who wish to help build such a community.

The College gives priority to students who are baptised into the Catholic Faith and are practising members of a parish community. As Iona College is also a community, we recognise and value students who may already have an existing connection to our school.

Consideration will also be given to other factors as the College seeks to achieve a balanced and inclusive community which is Catholic in its identity.

Iona has a tradition of welcoming families from diverse educational, cultural and religious backgrounds and will continue to do so.

Attendance at a Catholic primary school does not automatically guarantee enrolment at Iona College, nor does attendance at a non-Catholic primary school exclude a student.

Ultimately, the Rector reserves the right to accept students guided by the above principles.

ENROLMENT APPLICATIONS

The main points of entry into the College are Year 5 and Year 7.

Enrolment Forms will be accepted for:

- the Year 5 entry between Term 2 of Year 2 and the end of Term 2 of Year 3. Interviews will be held during Term 3 and offers made in Term 4.
- the Year 7 entry by the end of February of Year 5. Interviews will be held in Term 1 and offers made in Term 2.

Each year, the website will advise families when the Enrolment Forms are due to be submitted.

www.iona.qld.edu.au

There is no advantage or disadvantage of submitting an Enrolment Form earlier than the timeline listed. If your circumstances change after the Enrolment Forms are due, please contact the College.

Entry for students with late applications and for other year levels is subject to places being available at the discretion of the Rector and in accordance with the Iona College Enrolment Policy.

PROCEDURES

Families are to complete the 'Enrolment Form' with the completed section 'Catholic Parish Involvement' and lodge it with the College's Administration.

A non-refundable application fee is payable at this time.

Each year, after the closing date for enrolments, the relevant applications will be assessed and interviews organised with families.

All applications received for the entry points of Year 5 and Year 7 will be invited to attend an interview.

Once interviews are conducted, all families will be notified to advise if their family has been successful/unsuccessful in gaining an offer of a place at the College.

For families who receive an offer of enrolment, an Acceptance of Enrolment Form and Enrolment Agreement Contract will accompany this offer and this must be completed, signed and returned to the College Registrar within two weeks of the offer being made to ensure a place at Iona. All families are required to pay a 'once only' Acceptance Fee which is non-refundable.

For families who do not receive an offer of enrolment, an enrolment review process will be organised over the next twelve month period to allow families an opportunity to enter the College when places become available.
