A Ministry of the Missionary Oblates of Mary Immaculate

Uniform Lookbook

Dear Fellow Ionians,

The College uniform has been an immense source of pride since it was first worn in 1958. It has promoted connections, positive relationships and discipline and has united Ionians for 60 years. Our belief that we are all unique and created in the image of God is also connected with our belief in community, belonging and support.

All of the uniforms contained in this look book attempt to maintain a consistent and recognisable identity for our community. We recognise the sacrifice that our families make in making Iona their school of choice and your full support of the uniform and its significance is also appreciated.

We do believe that the “black and white” runs through our veins and although we know that alone we can be strong, we sincerely believe that together we are stronger. Our uniform worn well by us all is one of the ways that brings us together. Thank You for your support.

Take Care
