September 2022

Dear Parents and Guardians,

Welcome to the Year 5 Music Immersion Program at Iona College.

The Year 5 Music Immersion Program is a comprehensive and compulsory music performance course occurring during school time. Two streams are offered as follows:

Instrumental and Vocal stream which is a practical program delivered in small groups with highly trained specialists.

Cultural Group stream, a theory-based music program that supports academic music and explores various aspects of cultural identity throughout the world.

The Instrumental and Vocal stream in Year 5 is the best pathway to become part of the cultural and musical life of the College. Previous experience is not required. Open to all Year 5 students, we offer tuition and involvement across a large range of instruments and ensembles, including choirs, bands, strings and guitars. Please follow the links below to explore the musical options available and find out more about learning music at Iona.
