IONA COLLEGE

A Catholic Boys' College conducted by The Missionary Oblates of Mary Immaculate.

December 2022

Dear Parents and Guardians

As the school year draws to a close, I want to acknowledge your contribution as parents and guardians. The progress of our boys and their achievements would not be possible without your valuable support.

Choosing Iona College for your son is a significant investment in your son's future. The tuition fees at Iona College remain extremely competitive in comparison to other schools and as a College we are committed to keeping fees as low as possible for our families.

In an effort to assist our families with budgeting and planning, please be advised of the 2023 fee structure via the below link to the College website. Also listed is the fees policy, periodic payment calculators and direct debit forms for payment arrangements.
