

IONA COLLEGE

A Catholic Boys' College conducted by The Missionary Oblates of Mary Immaculate

September 2024

Dear Parents and Guardians,

Welcome to the Co-Curricular Music Program at Iona College. We offer tuition and involvement across a large range of instruments and ensembles, including choirs, concert bands, strings ensembles, guitar ensembles as well as jazz, contemporary and percussion ensembles. If you would like your son to either start learning an instrument for the first time or continue learning an instrument please read the information below.

Beginners

For those wanting to begin their musical journey with us, please let us know what instrument you would like your son to learn and we will begin the process of setting things up so they can begin straight away in Term 1. Alternatively, the music teachers can be available to assist your son in finding an instrument that best suits him in Week 1, Term 1 next year. We can assess him on multiple instruments and find something he will have the most success on. For further information, please refer to the [Instrumental and Vocal Music Handbook](#) and contact the music department by phone on 07 3906 8908 or email ionamusic@iona.qld.edu.au.

Already Learning

If your son already sings or plays an instrument and would like to continue here at Iona please register using this link; [Welcome to Iona Music Sign on 2025](#). Along with providing us with information about your son's previous experience and tuition we encourage you to attend the **Welcome to Iona Music event**. This event is an introductory workshop and welcoming session. Our instrumental and vocal teachers will be able to meet with your son and introduce him to the music department, and this will assist us to place students in the ensembles and lessons groups that best suit their needs. The event details are as follows:
